

and parents. The world has been hit by COVID-19. The school board, staff, teachers, and students.

COVID-19 and its impact.

The world has been hit by COVID-19. The school board, staff, teachers, and students.

Even if our eyes are closed, we can still see the world.

Even if our eyes are closed, we can still see the world.

Even if our eyes are closed, we can still see the world.

Even if our eyes are closed, we can still see the world.

Even if our eyes are closed, we can still see the world.

Even if our eyes are closed, we can still see the world.
