

# Northeastern Catholic District School Board

the use of progressive discipline consequences, up to suspensions and including expulsions from all schools of the Board.

- 2.3 In circumstances where a student will receive a consequence for their behaviour, it is the expectation of the Board that the principle of progressive discipline, consistent with PPM 145, will be applied in the least restrictive manner to be effective, and so not to add to the historical disadvantage of racialized students and/or students with disabilities.
