Facility Partnerships

A mutually beneficial and supportive arrangement supported by a formal Facilities Partn

- 3.4 The NCDSB will post on its website the name and contact information of the staff member who will respond to questions regarding facility partnerships.
- 3.5 Where unused space is declared surplus, the NCDSB will continue to follow the circulation process outlined in Ontario Regulation 374/23. Where the unused space in open and operating schools is not surplus, but is available for partnership, or where the partnership opportunity involves new construction, the information will be provided to potential partners through the notification process outlined in section below.
- 3.6 The NCDSB will determine which facilities and/or are suitable and not suitable for facility partnerships.

4.0 ENTITIES AND NOTIFICATION PROCESS

- 4.1 The NCDSB will inform entities on their notification list when key information regarding community planning or facility partnerships is changed or updated. To create the notification list, the Board will address the following requirements:
 - i) All applicable levels of municipal government;
 - ii) Applicable District Social Services Administration Board (s) or Consolidated Municipal Service Manager(s);
 - iii) Applicable Public Health Boards, Local Health Integration Networks and Children's Mental Health Centres.
- 4.2 The NCDSB may prioritize its notification list as it sees fit.
- 4.3 If child care operators or government
