

RESPONSIBLE USE OF INFORMATION AND COMMUNICATION TECHNOLOGY Kindergarten to Grade 3

The Northeastern Catholic District School Board (NCDSB) is committed to providing its students, staff, and Trustees with access to computer networks and the internet to enhance and broaden opportunities to learn, teach, and lead. The NCDSB believes that technology contribute to effective instruction and learning if used appropriately. The NCDSB recognizes the impact of information technology on society and is committed to helping all learners develop the skills and understanding needed to use technology ethically to values consistent with Catholic teachings and the Catholic Graduate Expectations.

In accordance with Policy 21 Responsible Use of Information and Communication Technology, all students must agree to the provisions for responsible use of NCDSB technology.

Student Agreement

I agree to:

take proper care of the technology I am allowed to use.

keep my password confidential and use it only for my child's use of technology. I will not share my password with anyone else. I will not use technology for any purpose that is not allowed on the Board's website or from my child's school.

I will emphasize the ethical and responsible use of technology with my child.

I grant permission for my child to access networked information technology, inclusive of the internet and for education purposes.

I am aware that my child will be given instruction in the proper use of the internet at school. I further recognize that my child is responsible
