

Northeastern Catholic District School Board

The Northeastern Catholic District School Board (NCDSB) is committed to providing a quality, Catholic education to all of its registered students. The NCDSB also recognizes that from time to time, school attendance may be impossible for a student in the case of serious illness, injury, or extenuating circumstances. As such, a student may be eligible for home instruction in order to access fundamental elements of academic programming to support continued achievement of the Ontario Curriculum. It is understood that home instruction is a temporary measure to assist a student in making the transition back to regular school attendance.
