

Northeastern Catholic District School Board

PREVALENT MEDICAL CONDITIONS (Anaphylaxis, Asthma, Diabetes, and/or Epilepsy)

Policy Number: E-2

Authority: 18-135/21-81/24-73/24

The Northeastern Catholic District School Board (NCDSB) is committed to supporting students with prevalent medical conditions to fully access Catholic education in a safe, accepting, and healthy learning environment that supports well-being. The NCDSB further supports the notion of empowering students to be confident and capable learners, able to reach their full potential for self-management of their medical condition. The NCDSB will endeavour to provide the necessary supports to students with prevalent medical conditions and/or other general medical conditions to ensure their full participation and active engagement throughout their academic experience.
