The *Immunization of School Pupil's Act, 1982*, states that parents/guardians are required to complete the prescribed program of immunization for each pupil. Failure to do so will result in suspension and/or exclusion from school by the Public Health Unit. All parents/guardians are urged to make sure that all children have the required up-to-date immunization.

Students requiring any prescription or over-the-counter medication during the school day must comply with all expectations of the *NCDSB Provision of Health Support Services in Schools* procedure (APE012).

Parents/Guardians will be required to advise the principal of the requirement and complete the *Administration of Medication Form*. For safety reasons, no student should bring any form of medication to school without prior approval from the principal.

School community members are expected to respect the privacy rights of others and refrain from taking pictures or capturing audio or video recordings of any person on school property without first obtaining the permission of every person included in the image or recording. Permission must also be obtained to share images or recordings in any format (i.e. printing, digitally sharing via email or social media apps, etc.). Schools will obtain permission from parents/guardians for the purposes of including students in images and recordings within the enrolment registration and update process. Schools will also provide notice in areas where video surveillance is occurring for safety purposes, in accordance with *NCDSB Policy I-1: Video Surveillance*

Each year, parents/guardians and students must review the Provincial Code of Conduct and acknowledge their understanding and acceptance of expectations. Please complete the acknowledgement form and have your child return it to their teacher.
